

## **Statement**

I wish to appeal my federal aid ineligibility as a result of failing to meet SAP requirements during Academic Year 2015-2016.

## **What Happened**

I was involved in an automobile accident on March 11. I was hospitalized and on bed rest for two weeks broken leg. After release, I needed to have physical therapy every day for six weeks. Because of these factors, I was unable to complete the semester and therefore, did not meet SAP requirements.

## **What has changed**

My leg has healed. I feel confident that I am able to continue my coursework and improve my academic progress. I intend to register and repeat the coursework in the classes that I failed. I also set up times with the tutoring center.

## **Documentation**

I have enclosed the following documentation:

1. A statement from my physician showing that I was under his care during the above time frame, and why. The statement also shows that my doctor released me to return to school on May 11.
2. A copy of my hospital bill showing the dates of my stay.
3. A statement from my physical therapist indicating my therapy schedule.
4. Academic Plan approved by Academic Advisor.
5. Proof of my completion of the "Exit Counseling Session".
6. SAP Appeal Application
- 7.
